### 2020 Spring Maintenance and Launch Schedule

#### Owner's Name and Signature \_\_\_\_\_

\*Labor rate is \$110 per hour. Charges will be based on time and materials (and by boat footage where indicated). Please remember we need at least 4 workable weekdays from the time we receive the boat until normal completion. This turnaround policy pertains only to basic spring maintenance. Major repairs are exceptions to this policy and may take longer. Please schedule early to avoid delay.

\*\*We will only perform services indicated below on this form, and we will only clean the boat if you wish us to. Otherwise, we will only clean the area in which we worked. We have a **detailing service**. We started offering this in 2016 and have had **rave reviews!** You can decide whether you want the full works or an allotted amount of time. We charge by the hour and not the foot (making it more cost-effective for you!). Please check off "Full detail" or "detail for \_\_\_\_ hours". You can also choose to have a specific part of the boat addressed.

#### Start and Completion Dates (VERY IMPORTANT)

When would you like your boat complete and ready to use? \_\_\_\_\_

If we are picking up the boat from your location, please specify when you would like us to do so \_\_\_\_\_

#### Boat Location and Transport:

1. Where is your boat? \_\_\_\_\_ At Hagler's Marina \_\_\_\_\_ At my house \_\_\_\_\_ At another location

If the boat is **NOT stored at Hagler's Marina**, please answer these questions:

1. What is the address where your boat is stored? \_\_\_\_\_

2. How is the boat stored? \_\_\_\_\_ On blocks in my yard OR \_\_\_\_\_ On trailer in my yard

3. How will the boat be transported to the marina? \_\_\_\_\_ Hagler's picks up OR \_\_\_\_\_ I drop off

#### Spring Labor (please check off the labor you would like us to complete):

- Remove shrink wrap
- Re-paint paintable boat bottom (\$10 to \$15 per foot based on size of boat)
- Install motor and/or outdrive
- Full detail OR detail for \_\_\_\_\_ hours (indicate one)
- Wash, wax, and/or compound \_\_\_hull \_\_\_cockpit \_\_\_Walkaround area (check if you want us to just address specific area)
- Mold removal
- Basic cleaning - please specify \_\_\_\_\_
- Install electronics (depth finder, radio, etc)
- Engine tune up - spark plugs only OR complete (bold or circle one)
- Zinc replacement (required)
- Boats fuel/water filter and all other motor filters (as required)
- Check electrical system
- Check bilge pump
- Replace outdrive/lower unit water pump (annual replacement is recommended)
- Start up labor (labor to install zincs, plugs, filters, etc. and all normal preparations)
- Flush fresh water system \_\_\_\_\_ Flush salt water system
- Fiberglass repair \_\_\_\_\_ Canvas repair
- Gas/oil fill up
- Launch \_\_\_\_\_ Test run and adjust \_\_\_\_\_ Tie up in marina slip
- Tie up for owner pick up (boats not picked up when ready will be charged a \$10 per day charge)
- DO EVERYTHING NEEDED TO FULLY USE THE BOAT
- Do minimal services Please specify \_\_\_\_\_

Please specify any problems you would like us to address \_\_\_\_\_

Boat make \_\_\_\_\_ Length \_\_\_\_\_ Motor make \_\_\_\_\_ Horsepower \_\_\_\_\_ Key # \_\_\_\_\_

Telephone: Cell \_\_\_\_\_ Local \_\_\_\_\_ Work \_\_\_\_\_

E-mail address \_\_\_\_\_

\*Yamaha Master Tech labor, electronics installation and computer time - \$125/hour. Please return this form **ASAP**, as boats will be scheduled on a first scheduled, first ready basis. Boats scheduled for in water pick up must be removed from the marina on the scheduled day. Our spaces are very limited and must be used efficiently. If you cannot pick up the boat when scheduled, we must remove the boat from the water to make room for others. Regretfully, we must charge you for this service. Your cooperation in the matter is greatly appreciated, as we try to complete our scheduling commitments. Trailered boats will not be excused from this policy and will be charged a \$10 per day space fee. We accept Visa and Mastercard credit cards only, and if at all possible, please pay your accounts using checks or cash, as we are trying to lessen our credit card burden and curb the rising cost of marina supplies and services. When calling the marina, please leave a message on the answering machine and speak slowly so we can understand your message and phone number correctly. Thank you! ☺
